

# Sargeant PTC

Parents and Teachers - Partners in Education

---

September 2, 2020

Hello Sargeant families!

Welcome to the 2020-2021 school year! Now that we have settled into distance learning, we thought it was time to reach out and introduce ourselves and tell you what PTC is doing this year. I have listed the Board's contact information at the bottom of this letter, but you can also find this information on the PTC website.

We know that this year looks different, but we wanted to share what we have done so far this year. Our amazing hospitality lead, Stephanie Strawmier, put together a grab and go safe breakfast for our staff during their first week of school. We have given the teachers grants to spend on needs for their classrooms or students. We gathered information from all your teachers about their favorite things (birthdays, coffee shop drinks, snacks, gift cards, etc) and have them on the website for you to easily access.

\*As you know, all of the in person events have been cancelled for 2020, but here are some ways that you can continue to help us support the school \*

**Donate-** Click [here](#) to donate to our annual fund, which will help us support Sargeant.

**Dinners Out-** We will be scheduling dinners out fundraisers and will send out the schedule when it is set, along with reminders as each event approaches.

**The Boxtops app-** instructions are on our [website](#), checks sent to the school quarterly.

**Amazon Smile-** instructions are on our [website](#), checks sent to the school quarterly.

Here is a list of all of the important PTC websites. Please be sure to like and follow the social media pages and make sure to click on and complete the contact information list so that we can add you to our PTC notifications.
