STEM Night!

A big thank you to our **STEM** Planning Team members: Aaron Cuthbertson, Julie West, Jeff Macklem, Tom Hessel, Marc Chacón and Stephen Selos. We look forward to doing it again next year!

Also, a warm thank you to our all of our event volunteers including partners of our planners, teachers, parents, and students who helped with set-up and clean up. We could not have done this without a team of volunteers! Go Bulldogs!

MPR Audio Upgrade—Success!

A big thank you to Greg Narducci and Aaron Cuthbertson for their planning and installation of the audio upgrade for the MPR. They worked a few late nights to ensure that the system was upgraded in time for Pantastic. It sounded great!

Auction Donations Needed

The PTC will be holding silent auctions on the evenings of upcoming Starstruck performances. We are asking parents to help with donations from area businesses. Do you know someone that would like to donate a free service or items to be put into a gift basket? Our hope is to coordinate collection of donations without involving our amazing teachers who already so much for us.

Our Auction Chair this year is Katherine Waugh. If you would like to be more involved with helping donation requests to our community reach sargeantptc@gmail.com and we will connect you.
