## PTC Website - A one-stop shop!

Did you know that you don't have to use social media to stay connected with Sargeant PTC? For two years now, we have had a PTC website: [www.sargeantptc.com](http://www.sargeantptc.com). The site includes a **calendar** with our events for the year so you can plan ahead, **upcoming meeting materials**, our **newsletter**, and navigation tabs for each upcoming event and year round program that our PTC supports.

The website is updated weekly. Parents can also locate our Dine Out and event-based **flyers**, **purchase spirit wear**, and **signup to volunteer for events**—all from the **PTC homepage**.

Thank you and please share with parents, guardians and grandparents as we hope to increase our reach to parents over the years to come. We appreciate the power of word-of-mouth both on and off campus!

Lastly, starting next school year we will be transitioning all of our online sales directly to our website instead of Signup Genius for items like event tickets, spirit wear, and annual fund donations. We've been successfully using Square for a few events. This is part of our gearing up process for the full transition next year. So, your interactions on our site will be fully contained. Thank you for your patience as we near the transition next year.

## Chipotle Dinner Out | 11/19

Join us this month on **Tuesday, November 19** from **5 - 9 pm** at the Chipotle at 3988 Douglas Blvd. #140 for a Dine Out fundraiser. A whopping **33% of your purchase** gets donated back to Sargeant PTC. This fundraiser is one of our biggest draws because the giveback amount is higher than other restaurants.

Note: Flyers for dine out fundraisers are always available on the PTC website for several weeks leading up to and during Dine Out days. So, when you show up at the restaurant, have your paper flyer with you, or use your phone to show the flyer electronically.

## October was our biggest month yet!

A big thank you to our **Harvest Festival volunteers and our event lead Kristen Fritts**. We had the right amount of parent support just in time for our event. The cake donations, treats and other logistical supplies were appreciated as well. We could not pull off our event without everyone coming together and pitching in when a need arises...sometimes right in the moment!

We want to especially **thank our teachers** for their donations to the Teacher Time Raffle. Winners were pulled by our Board and shared with teachers privately. If your student won, you'll hear from the teacher soon!

Lastly, a special thank you to **Paul Arjil and Marji** for their work on Box Tops. We received a ton of Box Tops during our Fall Drive (thank you parents!) and they've got it all covered for PTC. We will share the total once the submission is accepted by Box Tops for Education.
